Each portfolio submitted for Review must include the following material:

1. A complete set of official transcripts
   A. Showing that the student has successfully completed (with a grade of C or better), or, is currently enrolled in the following courses [Drawing for ID (Art 1340/ADES2630), Art History Survey I (Art 2350), Art History Survey II (Art 2360), Space Planning I (Art 2430/ADES2640)].

   Note: All students passing the review will be required to provide an official transcript showing successful completion of all of the above courses, with a grade of C or better, immediately following the end of the spring 2009 semester. No student passing the review will be given codes to enroll in the appropriate fall 2009 Interior Design classes until the division has received, reviewed, and confirmed appropriate grades on the new official transcripts. Transcripts must be received by the date noted on the acceptance letter.

   B. The student must highlight these art courses with a hi-lighter marker.
   C. No portfolio will be considered if the above requirements have not been met as described.

2. Creative work that exhibits the following:
   A. A drawing sequence including the following:
      - Floor Plan with furniture demonstrating an understanding of plan graphics, scale, drafting conventions (line quality, symbols, identification/labeling, accuracy), and lettering.
      - Interior Elevations demonstrating an understanding of plan graphics, scale, drafting conventions (line quality, symbols, dimensioning, identification/labeling, accuracy), and lettering.
      - A Perspective Drawing demonstrating an understanding of three-dimensional space.
   B. Model demonstrating an understanding of three-dimensional space.
   C. Process Booklet illustrating concept development, quick sketch techniques, and design development for the three-dimensional model submission
   D. Concept statement for the included model. The statement should not exceed 50 words. Submit on a single sheet of white paper. Center your ID number and the project it relates to at the top of the page. Note the total word count in the upper right-hand corner of the page. This total does not include the ID number or project name. Place the concept statement in the folder with the transcripts and application form (see Item 5 in the ‘submission guidelines’ section).
   E. 2-3 freehand sketches of interior or architectural spaces.

   All work should exhibit competency in craft, application of appropriate design principles and elements, critical thinking, and creativity.

3. A completed application form.

4. A postage-paid, self-addressed #10 envelope for the return of the results of the Entry Portfolio Review.
SUBMISSION GUIDELINES:

1. All flat work must be presented in a portfolio with the eight-digit student ID number clearly printed on the outside. The student ID number should be placed on the bottom of the model. The student’s name should not appear on any of the included work. It should only appear on the submission form and transcripts. Any portfolio with a student name clearly readable on individual projects will not be reviewed.

2. The program strongly recommends that students submit their work in a red art portfolio in the smallest size possible to accommodate their work. Use of more expensive portfolios will not improve the probability of acceptance. No cloth or other handmade portfolios may be used.

3. Drafted examples should be submitted in blackline/photocopy. Faculty may request submittal of original work after the review.

4. All work must be labeled on the back with a 2" x 3" (approximately) white label in the upper left-hand corner. Include your ID number and which requirement it fulfills: i.e., Floor Plan, Elevations, etc.

5. In the lower right-hand corner of each label, number every one of your entries as part of the series, i.e., 1/4, 2/4, etc.

6. Application, transcripts, self-addressed envelope and concept statement should be placed in a folder within the portfolio. The folder should have the student ID number on the upper right-hand corner of the front cover.

7. Failure to present work according to these guidelines will result in the removal of the portfolio from consideration.

8. No Interior Design faculty or staff member at the University of North Texas will assist a student in pre-screening or selecting the pieces for this portfolio. The student’s selection process will provide evidence of critical, analytical skills. This will be strictly adhered to in order to avoid giving any student an unfair advantage over others who might not have access to the faculty.
